Dear Sir or Madam,

The Montana Association of Legal Assistants\*Paralegals (MALA) is a non-profit paralegal association dedicated to promoting educational, professional, and ethical standards. MALA provides Montana paralegals with Continuing Legal Education seminars, a mentoring program, Certified Paralegal testing preparation, as well as scholarships for the Certified Paralegal and Advanced Certified Paralegal Exams.

MALA is the only affiliate of the National Association of Legal Assistants (NALA) in Montana and has been serving Montana paralegals for 27 years. MALA will be holding its 27th Annual Meeting and Seminar “Controlling the Chaos” on Friday, March 22, 2019, at the Best Western GranTree Inn in Bozeman, Montana which will offer six (6) CLE credits, including an ethics session all FREE for MALA Members.

Generous donations from our legal community, such as yourself, make our annual conference possible. We would like to ask that you consider becoming one of our Event Sponsors. Included in this letter is a detailed sponsorship form for your consideration.

Your contribution would greatly help us meet our goals and guarantee the continuation of our professional standards into 2019. If you are interested or have questions we can answer about becoming a sponsor of MALA, please don't hesitate to contact us. Thank you in advance for taking the time to read this letter.

Sincerely,

*Terry Hale, ACP*
